## GLC'S ALASKAN ADVENTURE 2014

**Jerry Brandt**  
GLC Director

**Loretta Farmer**  
GLC Assistant Director

Can yet another year be slipping past us way too quickly? Here it is mid-Summer, and already we are talking about another set of tours for 2015. Maybe the time has passed so quickly because of the fun Gold Leaf has been having in 2014. It all started with a fantastic week on a beautiful beach in Mexico in February, gained momentum when visiting to San Francisco and Lake Tahoe in April, and rolled right through our incredible two-week Alaskan Adventure in June. And we still have Croatia coming up in September! Of course in between those bigger trips, we've been enjoying great day tours throughout Missouri. But the thing to remember is that 2015 will be here soon enough, and now is the time to decide what you want to see and where you want to go next year. Loretta and I have chosen what we think are some fantastic destinations including Southern France & Paris, Oregon & Washington, the Canadian Maritimes, and we just gotta go back to that beautiful beach in Mexico. We invite you to take a look at all we have to offer and attend one or all of our previews. And of course we look forward to seeing you on a daytrip or one of our Holiday Events. Thanks again for your support, and Happy Travels!

*The group pauses for a photo at the entrance to Denali National Park.*

*Jill Barr and Linda Cook make a friend at Denali National Park.*

*A sled dog pup has his way with Kathy Zerr at the Iditarod Museum. She isn't complaining!*

*Fred and Bernice Lang enjoy the trip of a lifetime.*

*What's in the pot?*

*That's what's in the pot!*

## Octoberfest on the Lake of the Ozarks

**Wednesday, October 22**

Includes transportation, lunch, all tours and admissions, and more!

**\$90**

Break out your lederhosen (or not) and get in a German mood for an October day on the Lake of the Ozarks with a decidedly Teutonic tone. The highlight will be a wonderful German lunch at a new Gold Leaf favorite: Der Essen Platz Restaurant. Our meal there last year was a real highlight, and Noelle has promised another German feast with homemade sauerkraut, sausages and of course beer and wine. We will also take a lake cruise (squint your eyes and it will look a little like the Rhine) and visit the swinging bridges of Miller County. Or maybe that's Mueller County? There will be other German surprises and by the time you get home you'll swear you spent the day in Bavaria.

My first position with the bank was as a Personal Banker (although we didn't call them that yet) and a Real Estate Lender.

As my kids were growing up, I participated in many activities related to their school and athletic activities. I was treasurer for years for the local PTA and spent lots of time at ShowMeState games/activities. I served for a time with the Red Cross and Women's Network. I'm mostly involved with community activities associated with the church that we attend, but quite frankly have enjoyed

spending time with my husband now that we are empty nesters!

**TELL US ABOUT YOUR FAMILY.**

Our son, Ryan, is a preschool teacher at Tiger Tots Preschool in Columbia. He spent about four years working with developmentally disabled youth and adults and decided to make a change. He worked in daycare/preschools while he was in college and has a degree as a Childlife Specialist. Our daughter, Alyssa, is employed by Learfield Communications in Jefferson City. She is an Affiliate Coordinator and works with dozens of colleges/universities across the country to make sure all of their sports programming goes on the air when it's supposed to. She works some with the billing aspect of the programming as well. My husband, Joe, has been employed with Ameren for nearly 29 years. He is trained as a welder.

# Playa Del Carmen

FEBRUARY 20-28, 2015

Last February nearly thirty Gold Leafers spent a wonderful week at the Iberostar Tucan Resort in Playa Del Carmen. The resort was clean and comfortable with wonderful accommodations, was easy to get around, had a friendly staff, a wonderful beach, and great food and drink. In short, it was all we were hoping for. So when the question came up whether to go back in 2015, the answer was a resounding "YES!" The Tucan is NOT a mega-resort and has a very friendly feel. The property also serves as a nature preserve and is home to troupes of monkeys and other native animals. Playa Del Carmen is an easy taxi ride away, and long walks on the beach are a daily option. Plus there is are fantastic pools, nightly entertainment and five gourmet restaurants with cuisine from around the world.
